Application Form

3. Project Details (no more than 4 pages)

Unmet medical need: Describe the problem you wish to address and its impact. Describe the project starting point, including quantitative baseline data or metrics. Ensure project does not duplicate other projects/materials already developed or freely available from other centers.

Proposed intervention: Describe the proposed project, including measurable and realistic project objectives. If it is part of a larger project where external sources of funding or support have been received, please indicate how the BMS funds will contribute to supporting a unique aspect of the larger project.

Patient impact: Describe how your intervention will impact care for oHCM patients (ex. target population, geographic reach, number of patients potentially affected).

Team Contribution: Demonstrate that you have the necessary expertise to carry out the project by describing the team member and contributors to the project.

Risks and Mitigation: Identify major project risks and how these will be mitigated

Evaluation: Describe how you will assess/quantify the success of your intervention

Transferability: Describe how the project outcomes will be disseminated and the impact this project could have on other disease sites, healthcare teams or hospitals

Additional information (optional): Note any additional information that you feel BMS should be aware of in reviewing this project.

Application Form

| 4. Project Timelines: Document only the critical milestones of the project and approximate timelines associated. Assume Sept 2023 as the project start date. Projects should be completed within 1 year. | | | |
|---|-----------------------|--|--|
| Milestone / Key Action | Timeline (month/year) | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

Application Form

5. Budget Proposal: Enter details of your requested budget. Specify job title and time required if applicable.

| Item | Detail | Estimated dollar \$ |
|---|---|---------------------|
| EXAMPLE - Project Manager | 40hr/month x 3 months = 120 h x \$80/hr | \$9,600 |
| EXAMPLE - Translation | 10 hr | \$1,000 |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| SUBTOTAL | | |
| TOTAL AMOUNT REQUESTED (inclusive of overhead) | | |

Application Form

6. Department Leadership Authorization: Some quality improvement projects may require team members to contribute to the project in addition to their regular duties. Long-term sustainability of a project may also require buy-in from departmental leadership. Please obtain confirmation of project alignment with priorities of the Institution.

Sustainability Plan: Please describe your sustainability plan, especially if long-term funding is needed.

| | Confirmation | from | Chief | of | Department | / Service | / Unit |
|--|--------------|------|-------|----|------------|-----------|--------|
|--|--------------|------|-------|----|------------|-----------|--------|

| Chief of Department Name | Department | Signature |
|--------------------------------|------------|-----------|
